The SAKTA logo is displayed in a bold, yellow, sans-serif font. The letters are thick and blocky, with a slightly irregular, hand-drawn feel. The logo is positioned in the bottom right corner of the page, overlapping the background image of the factory floor.

SAKTA

SAKTA

A reliable partner in workwear solutions

since 1993

"Sakta" is a clothing manufacturing company with extensive experience and a strong focus on producing high-quality garments. The company stands out for its precisely tailored cuts, meticulous sewing craftsmanship, and rigorous quality control. Its production facility is modern and equipped with advanced technologies, ensuring premium products that meet international standards. "Sakta" offers a wide range of fabrics, finishing elements, and delivery solutions to meet the needs of both local and international markets.

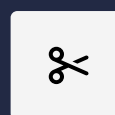

Made in Latvia

Guaranteed quality and durability.

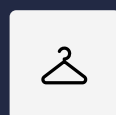

Experience

Serving a wide range of clients since 1993

Customization

Embroidery, printing, and customized solutions.

Wide range

From medical robes to welders' clothing.

Customization

Every client is unique — that's why we offer a personalized approach from design to detailed tailoring. We provide customization options including company logos, specific fabrics, and tailored cuts.

Wide range

"Sakta" offers a wide selection of fabrics, finishing elements, and workwear designs tailored to different industries and specific needs. Our product range provides solutions for everyday work requirements as well as highly specialized sectors.

Experience

With over 30 years of experience in workwear manufacturing, we guarantee a professional approach, reliable quality, and expertise that meets the needs of both local and international clients.

Made in Latvia

All our products are manufactured in Latvia at a modern facility that combines local craftsmanship with cutting-edge technologies. Local production ensures high quality and fast delivery.

Your Workwear Guide

Clothing made in Latvia with
a range of over 150 models

Printing

We offer high-quality printing on workwear using modern technologies that ensure durability, vibrant colors, and accurate design reproduction. Printing is a great solution for highlighting your brand identity and achieving a unified employee look.

Aprons with print

Comfortable and durable aprons with your chosen design or logo.

Coats with print

Personalized coats with print for both businesses and individual needs.

Decorative printing

Embroidery — — — — —

Embroidery offers a refined and long-lasting way to showcase your brand on garments. We provide custom embroidery of logos, names, and other elements, giving any workwear a professional and distinguished appearance.

Logo and emblem embroidery

Your company logo or emblem on aprons, coats, caps, and other garments.

Embroidered aprons and robes

Personalized aprons with embroidery for both businesses and individual needs.

Decorative embroidery

For example, greeting texts, wishes on towels or other products.
